Anaesthetic Technicians'
Society

MEMBERSHIP REGULATIONS

The NZATS executive team are responsible for setting the Membership requirements.

Membership Directives

It is recommended that all qualified Anaesthetic Technicians be members of NZATS; all trainee Anaesthetic Technicians must be members of NZATS in order for their clinical training hours to be counted.

In doing so, their name will appear on the members list which is a public document.

At all times the Membership and training requirements will take into consideration the guidelines stated by the College of Anaesthetists (ANZCA) PS8 document on Anaesthetic Assistance.

All persons requesting membership shall observe the Medical Sciences Council Standards of Practise.

The Membership shall run from 1st June till the 31st May annually.

The NZATS executive team will determine whether to approve or decline an application for membership. In no case shall the NZATS executive team be required to give reasons for their decision except to the person applying for registration.

No person shall be accepted as a member who has at any time been convicted in a court of law of an offence punishable by imprisonment for a term of 3 months or more

No person shall be accepted to the Membership who has been removed from the register of MSC NZ, UK HPCA or other similar bodies.

Any person applying for membership or has a current membership who obtains the membership by fraudulent means shall immediately be removed from the membership.

Fraudulent means shall cover any making or producing of any false or fraudulent representation or declaration either orally or in writing.

No persons shall claim in any way to be a member that has not submitted and had accepted an application of membership to the NZATS.

No membership details are transferable to any other person and must be solely used by the person to whom it was first issued.

If the qualification and experience are judged by the NZATS executive team to be equivalent to the New Zealand qualifications, such persons will be admitted to the Members list.

The member will be removed from the current on line database if they have not renewed their membership within 3 months of the date for renewal.

Failure to renew the membership within the time set will require a new application for membership.

If a member should leave the profession for a period of more than 12 months then a new application for membership must be completed upon return to the profession.

Written notice of the renewal date shall be sent to the last known e-mail address as listed on the last membership form received the date of which shall be recorded in the members list.

Any member who wishes to have his or her name removed from the members list may request this in writing at any time. Proof of identification and the return of their current members' card must accompany any such request. Confirmation of this request will be sent back to the member when this has been actioned.

Failure to pay the appropriate fee with the membership application will make the application null and void.

Standards of Care

All NZATS members and Registered Anaesthetic Technicians delivering specialised Anaesthetic clinical care within their health care facilities, must adhere to NZATS Standards as documented on the NZATS website.

The Members list

The Members list shall contain the following information:

- Name of the person who is a member
- Home postal address
